Attn: WHITCRAFT, PAUL

We have received your supporting documentation in response to the GE-Aviation Supplier Quality System AS9100 Compliance Requirements.

All information you submitted for the third-party audit conducted on **May 23, 2008** has been reviewed and found to be sufficient to meet the requirements to be an approved supplier for GE-Aviation.

Our continual acceptance of your Quality System, requires you to keep your system in compliance with S1000 and AS9120.

Your next scheduled due date for GE-Aviation system re-approval is **June 30, 2011**. By that date, you must submit updated documentation showing compliance to the AS9100, AS7103 (Pass Thru), AS7104 (Full) or AS9120 (Pass Thru) standard as described in S-1000 Rev 01-02-08. In general, the documentation to be submitted will consist of the following information: current certification, most recent audit report, audit findings, and your responses to those findings.

If you have any questions or concerns you may contact me at the above mentioned email address.

Comments:

Your next GE-Aviation audit due date was set to coincide with the expiration date on your certification.
